

Year 1
World War One
France and Germany Class
Term 2

What the children will be learning:

In Art, we will use drawing, painting and sculpture to develop and share our ideas, experiences and imagination.

In Science, we will be learning about materials. We will identify and name a variety of common materials and describe their properties and uses.

In History, we will be learning about World War One to mark the 100 year anniversary.

In Maths, we will be learning about number bonds, addition, subtraction and in ICT, we will be programming and controlling BeBots.

Additional activities:

We will visit Christchurch to view the World War One memorial.

Our storytelling text this term is "Where the Poppies Now Grow". This is a story about two boys whose friendship survives World War One. We will retell the story, thinking carefully about how a story is organised.

In our non-fiction lessons, we will be writing a recount in the form of a newspaper.
