

Year 2

*

Poles Apart

During the topic, we will be focusing on:

History, Geography, Art and Computing

During our topic we will be learning:

In this unit, the children will be studying about:

What an explorer is and discovering different places around the world focusing mainly the Antarctic and the South Pole.

In Art, we'll be finding out:

- how to create an icy picture using different techniques and evaluating our art work.

In History, we'll be finding out:

- how to ask questions of what we'd like to learn about the past.
- what similarities and differences there are between periods of time.

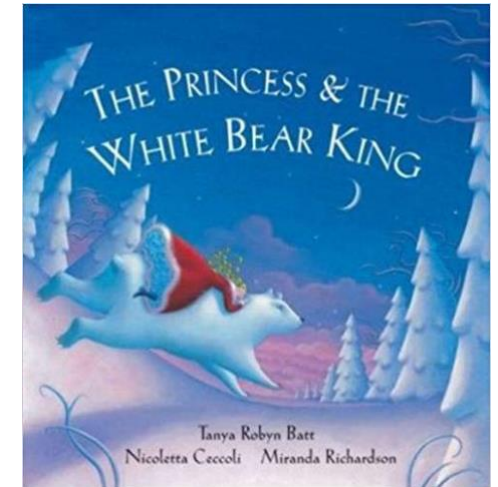

In Geography, we'll be finding out:

- how to use aerial photos and google earth to locate UK cities and seas.
- how to name and locate some of the world's continents and oceans.

In ICT, we'll be finding out:

- how to use aerial photos and google earth to recognise landmarks and features.
- how to control Beebots to move around a map.

Our Book for Fiction and Non-Fiction

Fab Finish
