

Year 3 - Ancient Egypt

Our Subject goals:

History

- Look at where and when the first civilizations appeared and a depth study of Ancient Egypt.

Art

- To create sketch books to record observations and review and revisit ideas.
- To improve mastery of art and design techniques, including drawing and painting with a range of materials.

Geography

- Locate the world's countries
- Use maps
- Identify key physical and human characteristics, countries, and major cities.
- Use maps, atlases, globes and digital/computer mapping to locate countries.

During the topic we will be focusing on:
History, Geography and Art

We will be:

- Collecting evidence using a range of primary and secondary sources.
- Designing and creating Tomb Paintings
- Writing instructions about 'How to make a Mummy'
- Researching how Egypt changed over time
- Understanding burial traditions and the importance of pyramids.
- Learning about trade links that happened on the River Nile.
