

Year 6

On Top of the World

Trips/Visitors

- Entry point - Dry Slope Skiing Gloucester 6th September 2017
- Visitor Talk - Expedition to Everest Base Camp

During our topic we will be focusing on: Geography and Art

What the Children will be doing:

Geography

- Identifying features of mountain regions
- Using an atlas to locate mountain ranges in UK, Europe and the World
- Research key mountain facts
- Exploring the impact of humans on the environment
- Understand how environment effects what people are able to do

Art

- Exploring sketching techniques
- Experimenting with colour mixing
- Creating layering effects using different mediums, focusing on perspective
- Producing a piece of work in the style of Nicholas Roerich

Literacy

- Mountain Poems
- Fiction - Alive: Lost on the Mountain
- Non-fiction - Non-chronological reports - Mountains of the World
- Postcards

Maths

- Budgeting - costs for an expedition

Science

- Living things and their habitats

Computing

- Using the internet for research

Values

Our values for September and October are:

-
-
