Club Structure

The club is held in the KS2 hall. Children are brought to the club by their class teachers at the end of the school day. They are offered a drink of water or milk and a fruit snack.

The club time table is shown below:

3.15pm - 3.30pm	CHILL-AX drink and fruit snack
3.30pm - 4.30pm	Free choice play including art & crafts, computer time, toys, board games, sport, playground games.

The time table allows fun and relaxation for the children.

In the summer, weather permitting, children have supervised access to the school grounds and take part in team games on the playground or school field.

Staff

Lainesmead staff look after the children in the club; they fully meet the criteria required to look after and care for children.

Collection

Please collect your child from the KS2 playground.

PLEASE NOTE: For safety and security reasons parents or carers are not permitted access to the club for any reason.

If you are going to be late collecting your child you **MUST** contact the club on 07789 028469 to let staff know and to give an estimated time for your arrival.

If someone other than the person who usually collects you child comes to pick them up you must make sure a member of the school office is aware that this will be happening.

If staff are in any way unsure of the person collecting your child they will ring you to obtain your consent before they release your child.

Children are not permitted under any circumstances to walk home alone after their session has finished.

Club rules and sanctions

We have a mixed range of ages and abilities so club rules are important to ensure we keep children safe whilst having fun. Children are expected to follow club rules at all times.

Club rules

- Children must respect staff, each other, the clubs resources and environment.
- Children must use their manners and be polite.
- Children must listen to staff and follow instructions.

- Children must be aware that others are still working during club time and move quietly around school.

Club sanctions

If a child displays repeated poor behaviour or disruption in the club they will be given a time out of 5 - 10 minutes to reflect on their mistakes and what they need to do to put things right. The child will then be given an opportunity to make things right. For example this could be saying sorry to a club mate they have upset.

Persistent unacceptable behaviour and/or disruption at the club will result in a child forfeiting a favoured activity such as missing a session of computer time.

The school reserves the right to withdraw the offer of a place in the L'After Club should a pupil's behaviour give cause for concern over their ability to participate in a responsible and acceptable manner in line with the school behaviour policy.

The school also reserves the right to withdraw the offer of a place in the club if there are concerns with regard to Health & safety.

If you are unhappy with the club

We are confident we offer you and your child the best after school care available at the best price possible. However should you have any concerns please speak to a member of the club staff who will try to resolve your issue.

Child Protection and Safeguarding Children

We are required by the Children's Act (1989) Regulations to keep and maintain information about your child. The information given is CONFIDENTIAL and used on a need to know basis only.

All carers of children have responsibility to promote the welfare of the children in their care in line with Department for Education guidelines. The schools Child Protection Policy ensures this duty is fulfilled and staff are fully aware they have a safeguarding duty to report any concerns to the Assistant Head Teacher who is the school's Child Protection Officer.

Club closures

The club WILL NOT be available on whole school closure days, holidays, emergency closures or if any industrial action is being undertaken by staff.

Lainesmead Primary School reserves the right to withdraw the L'After School Club service at any time.
