Summary

Total PPSG received: £14,816

Total Spent: £11,270.43

Money carried forward: £3,545.57

Sustainability

The aim of spending the PPSG is to improve the PE provision at Lainesmead Primary School in a manner which is sustainable for the future.

The main spend of the year was our membership to Fortius PE, in which all staff were given ongoing CPD. In combination with Real PE training and Anneli Dance training, all staff have been upskilled as a result of the money being put into the school. An increase in high quality first teaching is paramount to the subject being delivered successfully. By enabling a member of staff to train in a PE specialism it allows the school to maintain constant and high quality PE provision through partner teaching, advice and observation.
